

Florida Department of Transportation
Notice to Contractors / Consultants:

The Department of Transportation is soliciting contracting and consulting services for the design/build projects identified below. Qualified consultants/contractors are encouraged to submit a letter of response, for each project in which they are interested, to the indicated requesting unit by 5:00 PM Eastern time on the date indicated as the Response Deadline. For those projects designated as ADJUSTED SCORE TYPE, letters of interest are requested by the end of business on the date indicated below. The letters of interest will be limited to the page limit indicated below and will clearly indicate a name, address, phone number, and e-mail address for a contact person; the key companies and personnel proposed as participating in the project; and the prequalification status of the contractor and professional services team members. The Department will judge the relative ability of each submitting company to perform the required services based on pre-qualification information, past performance with the Department, and the letter of interest. At least three teams will be shortlisted from the received responses at the date specified below and the results of the shortlisting process will be posted on the Department's web site www.dot.state.fl.us/procurement at the indicated date and time. Public meeting dates and times are provide with new listed projects. All public meetings will be held in District headquarters unless otherwise noted. Changes to meeting dates and times will be updated under the Planned Projects link. The short listed firms will be provided a Request for Proposal (RFP) containing a design criteria package and requested to provide a technical proposal and price bid proposal for the project. The award of the project will be based on an adjusted score based on both the price and technical proposal score.

For those projects designated as LOW BID TYPE, bid proposals are requested by close of business on the date indicated in advertisement. For these type projects, an RFP may be requested by any interested party at the response address provided below. The technical proposal of the low bidder will then be reviewed to determine its responsiveness. If found to be non-responsive, the next lowest bidder will be considered.

A proposal will be considered non-responsive if it does not contain all of the information and level of detail requested in the RFP. All bid openings and public meetings will be held in district headquarters, unless otherwise noted. Changes to meeting dates and times will be updated under the Planned Projects link. The selection results will be posted on the Department's web site www.dot.state.fl.us/procurement at the indicated date and time.

Pursuant to Rule 14-25, Florida Administrative Code and Section 337.11, Florida Statutes, any person affected by a bid solicitation will file both a notice of protest and bond within 72 hours of the receipt of the bid documents, and will file a formal written protest within ten days after the filing of the letter of protest. The required notice of protest, bond, and formal protest must each be timely filed with the Florida Department of Transportation, Clerk of Agency Proceedings, 605 E. Suwannee St., Mail Station 58, Room 562, Tallahassee, FL 32399-0458.

Note: The Department reserves the right to reject all proposals and/or to waive minor proposal irregularities.

DISTRICT 5

PROCUREMENT NAME : E5K74

DESCRIPTION : I-95 SR519 to SR528 CONCRETE

Project Name: I-95 widening from South of Fiske Boulevard to North of SR 528, BREVARD COUNTY. Financial project ID: 405506-5-52-01

Project Description: CONSTRUCTION AND DESIGN of the widening of I-95 with the addition of one lane in each direction. A major portion of the widening and milling and resurfacing will be concrete. Acceleration and deceleration lanes will be added to the ramps at Fiske Boulevard, SR 520 and SR 524.

DESIGN CONSULTANTS services will include preparation of complete construction plans in accordance with FDOT standards. Construction work will include bridge, roadway (both asphalt and concrete pavement) and drainage construction, utility coordination, permitting and maintenance of traffic.

PREQUALIFICATION REQUIREMENTS: The CONTRACTOR team must be pre-qualified under rule 14-22, Florida Administrative code, by the Contracts Administration Office, by the due date for the Letters of Interest, in the following types of work: Work Class: Flexible Paving, Portland Cement, Concrete Paving, Intermediate Bridges.

The DESIGN Team members involved in Professional Services, as identified in Chapter 287.055, Florida Statutes, must be pre-qualified under rule 14-75, Florida Administrative code, by the Contractual Services Office, by the due date for the Letters of Interest, in the following types of work:

Major Work Groups: 3.3 Controlled Access Highway Design

Minor Work Groups: 4.1 Minor Bridge Design, 6.3.1 Intelligent Trans Systems, ITS

7.1 Signing, Pavement Marking and Channelization, 7.2 Lighting,

8.1 Control Surveying, 8.2 Design Surveys, 8.3 Photogrammetric Mapping,

9.1 Soil Exploration, 9.2 Geotechnical Exploration Testing, 9.4 Foundation Studies

RESPONSE PROCEDURE: Pre-qualified firms interested in being considered for the project should submit one (1) Original, and sixteen (16) copies of a Letter of Interest, not to exceed five (5) pages in length, including the following information: Project Name/ Financial Project Number, The Firm's name, address, phone number, and contact person.

Names of companies proposed as team members and key personnel with titles and /or classifications (Do NOT include Resumes). A statement regarding Contractor, and Professional Services Consultant pre-qualifications in the work classes and work groups advertised. Availability of construction and design staff. Other information relative to the teams qualifications for this project, including but not limited to experience with each other, experience with design/build and experience with the type of work being advertised.

SELECTION PROCEDURE: To determine the relative ability of each firm to perform the required services the Department shall consider as a minimum the following criteria:

Pre-qualification information, past performance with the Department: staff training and experience; and current and projected workload. Three firms shall be short listed from the responses to this solicitation. The short listed firms will be provided with a scope of services/request for proposal package and requested to provide a technical proposal and a bid for the project. The award of this project will be based on an adjusted score using a combination of the PRICE, CONSTRUCTION TIME and the TECHNICAL PROPOSAL. The two firms not selected will receive a stipend of \$100,000.00 for their effort in producing a technical proposal.

RESPONSE DUE DATE: Friday May 26, 2006 to the Professional Services Administrator at the address listed below by 5:00pm.

SHORTLISTING DATE: Monday June 5, 2006. The names of the firms short listed will be posted in the Lobby of the DeLand District office at the address listed below at or before 12:00 noon.
