

AMENDMENT 2

Contract No. E-5L81

Financial Project Number 420653-2-52-01

ITS Project – I-4 from US 27 to Osceola/Polk County Line (Polk Expansion of ITS System, Polk County)

Below are two changes to the RFP. The intent of the Change 1 is to clarify wording in the RFP as to the placement of DMS on I-4 in advance of US-27. The intent of the Change 2 is to remove pull strings from conduit runs of greater than 1000 feet.

On page 1 of 69

Delete the following sentence.

The project shall consist of a new Interstate DMS installed approximately 800 feet in advance of the first guide sign east of US-27 on westbound I-4 and a new Interstate DMS installed approximately 800 feet in advance of the first guide sign west of US 27 on eastbound I-4.

Replace the sentence with the following sentence.

The project shall consist of a new Interstate DMS installed minimally 800 feet to the west of the I-4 eastbound 1 ½ miles guide sign for US 27 and a new Interstate DMS installed minimally 800 feet to the east of the I-4 westbound 1 ¼ miles guide sign for US 27.

On page 33 and 34 of 69

Amend the final paragraph of Sections VI.M.1.a.ii. and VI.M.1.a.iii to include the following sentence.

Pull strings shall not be required for runs of conduit of more than 1000' between splice boxes or pullboxes.
