The following is a summary of changes included in this Request for Proposal Addendum #1:

1. Schedule of Events – Revised information for the following: Shortlist meeting, Deadline for submission of written questions prior to the pre-proposal meeting, Pre-proposal meeting, Final deadline for submission of questions/information, Technical Proposals due in District Office, Question and Answer Session, Price Proposals due in District Office, Public announcing of Technical Scores and opening of Price Proposals.
2. Updated SR 50 Concept Plans as part of the “Other Documents”: Signing and Pavement Marking Plans Component within the Concept Plans were updated to reflect the access management revisions.
3. Updated SR 50 Concept Plans (electronic files) as part of the “Other Documents”:
Provided additional CADD files

project(s) for the reporting month. FDOT has automated the form which will be used to collect employment information. The prime contractor can access FDOT's ARRA Employment Reporting System from the following website:

www2.dot.state.fl.us/ARRAEmploymentReporting

Failure to timely report the required information may be cause for rejection of the monthly invoice for contract payment.

Please refer to the informational brochure available at the following link, which provides summary information on the employment reporting requirements for ARRA:

<http://www.dot.state.fl.us/inspectorgeneral/ARRA/ARRABrochureFinalVersion.pdf>

Additional training information on ARRA employment reporting can also be accessed at:

<http://www.dot.state.fl.us/inspectorgeneral/ARRA.shtm>

One critical reporting component is a requirement for prime consultants/contractors to have a Dun and Bradstreet (DUNS) number. This is a unique nine-digit firm identification number issued by Dun & Bradstreet. It is not the same as a firm's Tax ID Number. Design/Build Firms who don't already have a DUNS number can register for it through the following website: <http://www.dnb.com/us/>

Design/Build Firms who do not already have a DUNS number should begin the application process. According to the D&B website, it takes a minimum of 30 business days for a new D&B DUNS Number to be processed.

B. Department Responsibility

The Department will provide contract administration, management services, construction engineering inspection services and quality acceptance reviews of all work associated with the development and preparation of the contract plans and construction of the improvements. The Department will provide job specific information and/or functions as outlined in this document.

II. Schedule of Events

Below is the current schedule of the remaining events that will take place in the selection process. The Department reserves the right to make changes or alterations to the schedule as the Department determines is in the best interests of the public. Proposers will be notified sufficiently in advance of any changes or alterations in the schedule. Unless otherwise notified in writing by the Department, the dates indicated below for submission of items or for other actions on the part of a Proposer shall constitute absolute deadlines for those activities and failure to fully comply by the time stated shall cause a Proposer to be disqualified.
