

Addendum #1
Financial Project #423567-1-52-01,
424294-1-52-01 and 424294-2-52-01
Contract # E5N56

The Request for Proposal for the above reference project is amended as follows:

I. Introduction.

The Florida Department of Transportation (Department) has issued this Request for Proposal (RFP) to solicit competitive bids and proposals from Proposers for the Milling and Resurfacing of I-95 from north of SR 46 to the Brevard/Volusia County Line and the installation of guardrail in the median of SR 9 (I-95) from south of SR 406 in Brevard County to the bifurcation in Volusia County.

Description of Work:

Mill and Resurface the existing lanes of I-95 from MP 22.509 to the Brevard/Volusia County Line at MP 31.190

Design and Install double face, recommended, or two single face guardrails in the median of SR 9 (I-95) as specified below:

1. Starting at MP 18.408 of road section 70225000 of Brevard County and ending at MP 3.7 of road section 79002 in Volusia County.
2. Install guardrail in accordance with design index no. 400 (page 26 of 26)
3. Upgrade all end treatments and bridge attachments on the existing guardrails located in the ~~median~~ project limits to current standards.
