RFQ Question and Answer Matrix #6 (Issued on April 1, 2013)

(Questions Submitted Between March 26, 2013 and March 29, 2013)

No.	Issue	Section	Question/Comment	FDOT Response
1.	Additional project scope	3.1	Please kindly provide more background about the discussion regarding the scope options that FDOT is currently considering, and how it will translate into RFP requirements (i.e. will proposals also be evaluated according the length of project offered by proposers)?	FDOT has not made final decisions regarding its approach to scope options. Further information will be provided in the RFP to shortlisted proposers.
2.	Signature Dates	Form A	Please confirm our understanding that the only letters that MUST be dated as of the SOQ date of April 19, 2013, are the Transmittal Letter (Form A), and the supporting letters appended thereto from each Equity Member, “executed by authorized officials of such Equity Member, stating that representations, statements and commitments made in the SOQ on behalf of the Equity Member have been authorized by, are correct, and accurately represent the role of the Equity Member in the Proposer team.	The Form A transmittal letter shall be dated as of the date of submission of the SOQ. All supporting letters shall be dated as of the date of execution of the letter in question.
3.	SOQ Due Date	General	We note that per Addendum #4, the SOQ due date has been revised to April 19, 2013. Our SOQ preparation is complete, printing has commenced and will be ready for submission to FDOT. If FDOT is not anticipating any further changes to the RFQ, may we submit our SOQ prior to the due date?	SOQs may be submitted any time prior to the SOQ due date. Proposers are cautioned, however, that early submissions may result in an SOQ that fails to address subsequent changes to the RFQ.
