

Vehicles owned and registered to the Contractor shall have a regular size Contractor's logo, a telephone number, and a vehicle identification number. All vehicles registered to the Contractor's sub-contractors shall also be clearly identified by company logo and telephone number. Equipment and supplies owned by the Contractor and stored at the Department's property must be solely utilized and approved for this contract. The same requirements also apply to leased/rented vehicles and equipment.

Provide approved Florida Department of Transportation (FDOT) logo at building's entrance (on fence or freestanding), building's front façade (concrete wall), front door(s), FDOT vehicles, and any other FDOT property considered "mobile equipment". Throughout the life of the contract, the Department may ask the Contractor to replace any logo determined to be worn, damaged, etc. or supplement an existing sign with the Contractor's logo. The Contractor is allowed to install their company's logo to the right of the FDOT's logo, as a secondary logo, and shall be no more than 75% of the total area of the adjacent FDOT's logo.

Contractor's agent residing at the Department's facilities shall answer the facility's telephone land-line as "Florida Department of Transportation, managed by <<name of Contractor>>". Coordination with the local phonebook (yellow/white pages) provider will be required to assure all public information clearly state that this property address belongs to the Department. Correspondence (letters, faxes, emails, etc.) sent by the Contractor for the purposes of representing the Department under this contract shall have both logos and the facility address. A template of each type shall be submitted to the Department for approval prior to beginning this contract.
