

FM# 432687-1-52-01: SR 826 / I75 Express Lanes Design Build Project - District VI

The Florida Department of Transportation (FDOT) District Six has created an FTP site with the most current information related to the SR 826/ I75 Express Lanes Design Build Project (FM 432687-1-52-01). To access the FTP site please access the following link: sr826-i75expresslanes.com

Design-Build Teams pursuing the SR 826/ I-75 Express Lanes projects can request one-on-one meetings with the District Six Project Team by contacting FDOT District Six Project Manager Mrs. Judy Solaun-Gonzalez, P.E. at Judy.Solaun@dot.state.fl.us or you can also call (305)-470-5207. As a minimum, a Design-Build Team constitutes a Lead Contractor and an Engineer of Record.

Meetings are not guaranteed and will be scheduled upon availability. One-on-one meetings will be held **February 27th, 28th and March 1st** at the **FDOT District Six Headquarters**.

In order to access the information, the Design-Build Teams shall fill out the Exempt Documents Security System Plan form and submitted to Harry.Orvil@dot.state.fl.us together with a copy of the driver's license. Once permission is granted by the Department, a user ID and password will be created and the information can be accessed.
