Public Works Department - Contact Person: Jean Bernard Philippeaux/Telephone No.:(305) 375-2930

RPQ No.: 20100441 ARRA Internally Illuminated Street Name Sign Contract. FM-428386-3 ESTIMATED COST: \$473,230.00

LICENSE REQUIREMENT: Electrical Contractor.

SCOPE OF WORK:

A. Work under this Contract includes furnishing of all supervision, labor, materials, tools, equipment and performing all operations required to construct the Work in accordance with the Contract Documents.

B. The scope of work shall consist of, but is not limit to, the installation of Internally Illuminated Street Name Signs (IISNS) at various intersections in Miami-Dade County; the Contractor shall provide supervision, labor, materials, tools, and equipments required to provide sign installation as well as the removal of existing overhead signs, relocation of existing signal heads, signs and tree trimming which may be in conflict with the proposed scope as directed by the Engineer. The Contractor shall keep the Engineer informed at all times of his work schedule, so that the project can be inspected during all phases of installation, including wire splicing, and installation of conductors.

C. Additionally, the Contractor shall perform all work at the Controller Cabinet including but not limited to; furnishing and installing all necessary materials in order to complete the installation of the IISNS in compliance with current NEC requirements. Work at the controller cabinet entails identifying all grounding and neutral conductors in order to properly isolate them as per NEC requirements. The contractor shall make reference to Appendix E "Procedures for Isolating Neutrals from Grounds in Existing MD-552 and MD-660 Cabinets" as guideline when performing this portion of the Scope of Work at the controller cabinet.

If any changes are required due to conflict of design and or field conditions, the Engineer will make the final determination.

Compliance with American Recovery and Reinvestment Act of 2009.

This project is subject to the criteria and conditions of the American Recovery and Reinvestment Act (ARRA) of 2009 including the Buy American Act requirements of ARRA Section 1605.

Disadvantaged Business Enterprise (DBE)

A Disadvantaged Business Enterprise (DBE) contract goal of 10 percent participation has been established for this Contract. The Contractor shall comply with the requirements pursuant to 49 Code of Federal Regulations (CFR) Part 26. DBE Participation Provisions and applicable forms are located in Section 4 (Supplemental Requirements) of these Contract Documents.

Bidders are required to submit along with their bids, the Anticipated DBE Participation Statement Form provided in Section 2 (Solicitation Forms) of these Contract Documents.

CONTRACTOR LICENSES, CERTIFICATIONS, AND GENERAL REGULATIONS:

A. Certification Requirements:

1. At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and these Solicitation and Contract Documents, the Bidder must hold a valid, current, and active:

a. Certificate of Competency from the County's Construction Trades Qualifying Board as an Electrical Contractor; or

b. Certification, as an electrical contractor provided by the State of Florida Electrical Contractors' Licensing Board,

pursuant to the provisions of Section 489.511 of the Florida Statutes.

B. Experience Requirement:

1. The Bidder, through full time personnel employed by the Bidder, must demonstrate experience as the prime contractor in projects with scopes comparable to the Project Scope of Work. Demonstrate the experience requirement by:

a. Providing a detailed description of completed projects, similar to the Project Scope of Work, in which the Bidder is currently engaged or has completed within the past three years. List and describe those projects performed for government clients, similar size private entities, and any work performed for the County. The description should identify for each project (1) the client, (2) description of work, (3) total dollar value of the contract, (4) contract duration, (5) customer contact person and phone number for reference, (6) statement or notation of whether Bidder is/was the prime contractor or subcontractor, and (7) the results of the project; or

b. Pursuant to Section 255.20, Florida Statutes (F.S.), the County may consider a bid from a Bidder, meeting the license requirements above, in good standing that has been prequalified and considered eligible by the Florida Department of Transportation (FDOT) under Section 337.14, F.S. and Chapter 14-2, Florida Administrative Code, to perform the work described in the Contract Documents. Contractors seeking consideration under this Paragraph shall submit along with the Bid Documents for review and consideration, current copy(ies) of their FDOT Certificate(s) of Qualification in the Traffic Signal Work Class, Certification of Work Underway, and Status of Contract(s) On Hand.

C. Traffic Signalization and IISNS

1. In addition to the license(s) required of the Contractor, any personnel engaged in installing, modifying, repairing, removing or maintaining traffic signalization, or any other electrical/electronic traffic control device in Miami-Dade County shall:

a. Perform work under the direction of a Master Electrician which has to be present at the job site or be able to respond within 2 hours of notification.

b. Perform all work under the direct supervision of a Journeyman Electrician that is certified as an International Municipal Signal Association (IMSA) certified Traffic Signal Technician (TST) Level II or Level III. All work related at or pertaining to the controller must be performed by an IMSA certified TST Level II (Field).

BID DOCUMENTS:

Bidding documents may be purchased from the Miami-Dade County Department of Public Works, Contracts and Specifications Section, 111 NW 1st Street, 14th Floor, Miami, Florida 33128 for a non-refundable fee of Twenty Five dollars (\$25.00) per each complete set of documents. Payment shall be in the form of a company check, cashier's check, or money order payable to the "Board of County Commissioners of Miami-Dade County, Florida."

ADDENDUMS - RFI'S:

The Public Works Department has made changes with regard to how addendums and requests for information (RFI) will be sent to document holders. Be advised that all Addendums, RFI's, and the document holders list (bidder's list) are now available to view online at the following web address:

If any changes are required due to conflict of design and or field conditions, the Engineer will make the final determination.

Compliance with American Recovery and Reinvestment Act of 2009.

This project is subject to the criteria and conditions of the American Recovery and Reinvestment Act (ARRA) of 2009 including the Buy American Act requirements of ARRA Section 1605.

Disadvantaged Business Enterprise (DBE)

A Disadvantaged Business Enterprise (DBE) contract goal of 10 percent participation has been established for this Contract. The Contractor shall comply with the requirements pursuant to 49 Code of Federal Regulations (CFR) Part 26. DBE Participation Provisions and applicable forms are located in Section 4 (Supplemental Requirements) of these Contract Documents.

Bidders are required to submit along with their bids, the Anticipated DBE Participation Statement Form provided in Section 2 (Solicitation Forms) of these Contract Documents.

CONTRACTOR LICENSES, CERTIFICATIONS, AND GENERAL REGULATIONS:

A. Certification Requirements:

1. At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and these Solicitation and Contract Documents, the Bidder must hold a valid, current, and active:

a. Certificate of Competency from the County's Construction Trades Qualifying Board as an Electrical Contractor; or

b. Certification, as an electrical contractor provided by the State of Florida Electrical Contractors' Licensing Board, pursuant to the provisions of Section 489.511 of the Florida Statutes.

B. Experience Requirement:

1. The Bidder, through full time personnel employed by the Bidder, must demonstrate experience as the prime contractor in projects with scopes comparable to the Project Scope of Work. Demonstrate the experience requirement by:

a. Providing a detailed description of completed projects, similar to the Project Scope of Work, in which the Bidder is currently engaged or has completed within the past three years. List and describe those projects performed for government clients, similar size private entities, and any work performed for the County. The description should identify for each project (1) the client, (2) description of work, (3) total dollar value of the contract, (4) contract duration, (5) customer contact person and phone number for reference, (6) statement or notation of whether Bidder is/was the prime contractor or subcontractor, and (7) the results of the project; or

b. Pursuant to Section 255.20, Florida Statutes (F.S.), the County may consider a bid from a Bidder, meeting the license requirements above, in good standing that has been prequalified and considered eligible by the Florida Department of Transportation (FDOT) under Section 337.14, F.S. and Chapter 14-2, Florida Administrative Code, to perform the work described in the Contract Documents. Contractors seeking consideration under this Paragraph shall submit along with the Bid Documents for review and consideration, current copy(ies) of their FDOT Certificate(s) of Qualification in the Traffic Signal Work Class, Certification of Work Underway, and Status of Contract(s) On Hand.

C. Traffic Signalization and IISNS

1. In addition to the license(s) required of the Contractor, any personnel engaged in installing, modifying, repairing, removing or maintaining traffic signalization, or any other electrical/electronic traffic control device in Miami-Dade County shall:

a. Perform work under the direction of a Master Electrician which has to be present at the job site or be able to respond within 2 hours of notification.

b. Perform all work under the direct supervision of a Journeyman Electrician that is certified as an International Municipal Signal Association (IMSA) certified Traffic Signal Technician (TST) Level II or Level III. All work related at or pertaining to the controller must be performed by an IMSA certified TST Level II (Field).

BID DOCUMENTS:

Bidding documents may be purchased from the Miami-Dade County Department of Public Works, Contracts and Specifications Section, 111 NW 1st Street, 14th Floor, Miami, Florida 33128 for a non-refundable fee of Twenty Five dollars (\$25.00) per each complete set of documents. Payment shall be in the form of a company check, cashier's check, or money order payable to the "Board of County Commissioners of Miami-Dade County, Florida."

ADDENDUMS - RFI'S:

The Public Works Department has made changes with regard to how addendums and requests for information (RFI) will be sent to document holders. Be advised that all Addendums, RFI's, and the document holders list (bidder's list) are now available to view online at the following web address:

http://www.miamidade.gov/DPM/current_opportunities.asp

Therefore, during the advertisement period, the Department will not be sending these documents via certified mail. All document holders must provide a dedicated fax number available at all hours. The Department will only be sending addendums and RFI's by fax and posting online at the aforementioned link. The bidders list will be updated every Friday during the advertisement phase of the contract. Please be aware that acknowledgment of receipt of all addendums and RFI's remain a requirement when submitting bids.

VENDOR REGISTRATION:

Due to the new Vendor Registration procedures of the Department of Procurement Management, updated definitions along with the "Affirmation of Vendor Affidavits" has been added to the Bid Submittal Package. The successful bidder must be registered under this new procedure prior to award.
