

BUDGETARY CONSTRAINTS.

(REV 9-26-06) (FA 10-6-06) (1-07)

ARTICLE 3-1 (Page 16) is expanded by the following:

The Department has established a maximum budget of **\$225,000.00**. This amount is not the Department's official cost estimate for the work but is the budgetary constraint established for this contract.

The award amount will be the budgetary constraint amount of **\$225,000.00**, and not the contractor bid total. This is a Work Order driven contract. Work will be assigned as needed. If the contractor's bid is lower than the budgetary ceiling, additional work will be assigned to reach the maximum budgetary ceiling amount. If the Contractor's bid is higher, the work will be assigned up to the budgetary ceiling amount.
