

**PROPOSAL REQUIREMENTS AND CONDITIONS.
(REV. 11-09-10)**

ARTICLE 2-1 is deleted and the following substituted:

This Project requires the Contractor to have specific expertise and experience in the performance of Mechanical Sweeping on FDOT projects, any government agencies or local municipalities. In order for the Contractor to obtain a proposal, the following requirements must be provided to the District Contract Administrator:

(a) A letter on the company letterhead certifying to the following including the expertise and experience of the Contractor in the performance of Mechanical Sweeping projects and providing the specified documentation (the letter must be signed by the Owner of the Company or Company Officer and dated):

(1) At least three (3) complete years of experience in the active performance of Mechanical Sweeping projects with its own forces and organization as opposed to the use of subcontractors. The company shall include up-to-date resumes for their Superintendents with experience in Mechanical Sweeping projects.

(2) Declaring that the company will perform all contract required Mechanical Sweeping work with its own forces and organization, except as may be provided in Standard Specification 8-1 as modified by the Contract documents.

(3) Listing project history of the company's experience as Mechanical Sweeping contractor for the three (3) years declared in item (a)(1) above, including the following information:

- (i) Project name/number and brief description of work performed; and
- (ii) Beginning and ending date of project; and
- (iii) Location of project (city, state); and
- (iv) Monetary amount of project; and
- (v) Owner of project/contact person/phone number with area code; and
- (vi) If applicable, name of Prime Contractor (Client) that the work was performed for, including phone number with area code.
