PROPOSAL DESC :
 Electronic/Sealed Bids are requested for a contract providing labor, equipment and materials to apply or refurbish new and existing Thermoplastic Traffic Stripes and Markings, in accordance with Section 711 of the 2010 Edition of the Florida Department of Transportation Standard Specifications and all revisions thereafter. This is a work order driven contract, there are no specific locations. No quantities are guaranteed and there will be no unit cost adjustment for quantities required over or under the estimated quantities. The quantities to be paid for will be the area of existing painted traffic stripes and/or markings removed and accepted in square feet. Quantities of 500 ft or less will be paid under pay items with units of LF. Quantities of more than 500 ft will be paid under pay items with units of GM or NM. The actual quantities may be adjusted depending on the work assigned. Actual reimbursement to the contractor will be based on the unit price bid regardless of the actual quantity of work authorized for completion and approved by the Department. The work will be assigned within the limits of Miami-Dade County by the District Maintenance Engineer or his representative.
 This contract is for a term of 365 calendar days. In lieu of a pre-qualification in Pavement Markings, an Experience and Expertise form must be completed and submitted with the bid to be deemed responsive. Budget Amount:\$375,000.00; DBE Availability is 12%.
