Electronic/Sealed Bids are requested for this push-button contract to provide the department with the means in order to resolve problems that relate to bridge repairs. Projects requiring Right-of-Way acquisition will be beyond the scope of this contract. The work specified in this contract consists of providing labor, equipment and material for incidental repairs of existing bridges. The actual reimbursement to the contractor will be based on the unit price of the actual amount of work authorized for completion and approved by the District Project Manager, subject to the limiting amount of the contract. The quantities listed on the summary of quantities sheets are estimates only. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The various items shall be constructed in accordance with these specifications and in conformity with the existing lines, grades, and dimensions. This is a work-order driven contract. There are no specific locations, the work will be assigned within the limits of Miami-Dade and Monroe Counties as directed by the District Maintenance Engineer or his/her designee. This contract is for a term of 365 calendar days. In lieu of a pre-qualification in Bridge Repair, an Experience and Expertise form must be completed and submitted with the bid to be deemed responsive. Budgetary Ceiling:\$200,000.00; DBE Availability is not available. Special Note: District Six does not accept handwritten bids, and all bid attachments must be in a WinZip format.
