 Electronic/Sealed bids are requested for improvements that will consist of providing labor, equipment and materials for construction, reconstruction or removal of concrete sidewalk, curb cut ramps, and curb and gutter on various State Roads in Miami-Dade County. New sidewalks, driveways and curbs may require colored/pigmented powder added to the concrete mix in order to produce a homogeneous colored concrete batch to match the adjacent color of the existing concrete. This is a work order driven contract, there are no specific locations. No quantities are guaranteed and there will be no pay item unit cost adjustments for quantities required over or under the estimated quantities. The various items shall be constructed in accordance with these specifications and in conformity with the existing lines, grades and dimensions. The work is to be performed in Miami-Dade County as directed by the District Maintenance Engineer or his representative. This contract is for a term of 365 calendar days. In lieu of a pre-qualification in Concrete Repair, an Experience and Expertise form must be completed and submitted with the bid to be deemed responsive. Budgetary Ceiling:\$250,000.00; DBE Availability is 12%. Special Note: District Six does not accept handwritten bids and all bid attachments must be in a Winzip format
