To all contractors bidding on Project E7G91: **Please disregard previous e-mails regarding Addendum #2 for E7G91.**

Attached to this e-mail are two files, Addendum #2 for E7G91 containing refining language to the first supplemental / specification that was made necessary by the Governor's Executive Order No. 11-02 effective January 2011.

Also attached is the EBS file for acknowledging this addendum. Remember you cannot open this file (E7G91.002). You must save it to the drive or floppy where you saved your original EBS file and E7G72.001 and it will automatically update it for the new addendum. Should you have any problems, this amendment file and addendum will be on the website.

REMEMBER, YOU MUST HIT THE REPLY BUTTON (NOW) ON THIS E-MAIL TO ACKNOWLEDGE RECEIPT OF THIS ADDENDUM!
