(Approx. 80 cal days plus 15 flexible start days) (Approx. Budget \$302,019) FY 12/13.**

Bidding eligibility relative to Business Development Initiative (BDI) Projects is restricted to companies who meet the U.S. DOT definition and size standards of a Small Business (49 CFR PART 26.65).

The Small Business Act describes a small business concern as one that is "independently owned and operated and which is not dominant in its field of operation."

Said Small Business's size standard is determined by averaging the company's annual gross revenues (including any affiliates) over the last three (3) years. To be eligible to bid on any BDI project, companies (and any affiliates) must first not exceed \$20.41 million in annual maximum gross revenues averaged over the last three (3) years. And, secondly, the Small Business (and any affiliates) must also not exceed the annual maximum gross revenue for the particular work involved (i.e., fencing and sidewalk construction in these particular cases which is set at \$13.0 million).

For additional information on Small Business definition and size standards, please refer to the following websites <http://www.dot.state.fl.us/equalopportunityoffice/bdi.shtm>

This is a Business Development Initiative (BDI) project.
