* "X" Indicates intended award, but does not constitute an acceptance of the offer created by Proposer's Proposal. No binding contract will be deemed to exist until such time as both parties have fully executed the written agreement. If irregularities are subsequently discovered in the Proposer's Proposal, or if Proposer fails to submit required bonds and insurance, fails to execute the contract, or otherwise fails to comply with the RFP requirements, the Department has the right to reject the Proposal and award to the Proposer that is the second most advantageous, reject all Proposals, or act in the best interest of the Department.

** The adjusted score is calculated by dividing the Proposer's Price by the Proposer's Total Technical Score.
