

Bonding Surety: From Bonding Headache to Business Opportunity

Florida A&M University/Florida Department of Transportation
Construction Management Development Program-Bond Guarantee Program is
pleased to present:

A FREE BONDING SEMINAR

DATE: Thursday, May 14, 2009

TIME: 6:00 - 7:30 p.m.

LOCATION: Small Business Development Center
2035 East Paul Dirac Drive, Morgan Building
(Conference Room)
Tallahassee, FL 32310

Featured speakers:

Nicholas Costa & Nathan Omodt with Travelers Bonds

Having trouble getting the bonding capacity needed? Contractors who face the time-consuming process of assembling information for bonding agents and underwriters will find benefit in attending this seminar. During this seminar, bonding agents and underwriters will discuss the **pre-qualification and submission requirements, evaluation process of the bond package, reasons for default, and surety bonding criteria.** Please be sure to attend this event to get an in-depth understanding of bonding in construction.
