

## FPRN News

September 18, 2015

---

### Network Upgrades

The FPRN has not undergone any major software updates since our last Newsletter.

The Height Modernization Project was implemented across the FPRN. Any comments about changes in vertical accuracy will be received with extreme gratitude.

### Network Outages

Since the last Newsletter the Network has been running well, with a very few exceptions.

We will be scheduling a weekly reboot of the FPRN to occur every Monday morning.

### New Stations

We are pleased to announce the addition of three new stations throughout the State.

FLT2 – Canoe Creek Service Plaza (Turnpike)

FLT3 – Ft. Drum Service Plaza (Turnpike)

FLLP – Lake Placid (Located at the Wastewater Treatment Plant)

These sites should be installed and operational the first week of October.

### Upcoming Stations

Agreements are being finalized to place stations at the following locations:

FLHC – Hendry County

FLSI – Sanibel Island

FLCM – Clermont

FLOH – Oak Hill

FLPC – Port Canaveral

### Dismantled Stations

STAG – St. Augustine

DTNA - Daytona

PALM – Bunnell

These sites will no longer be available on the FPRN.
