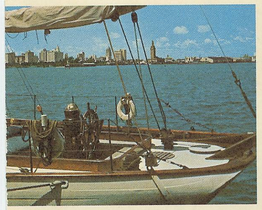
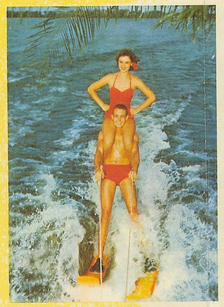
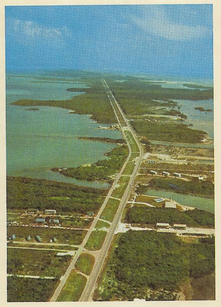
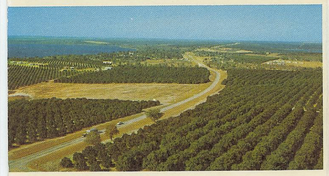
Florida

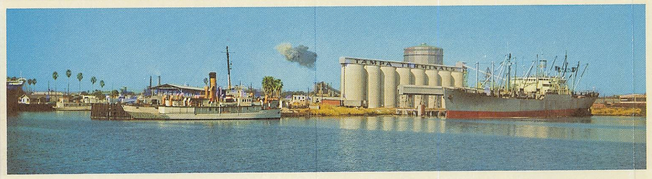
land of abundant living and glorious vacations

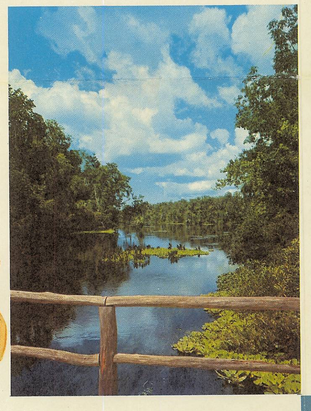


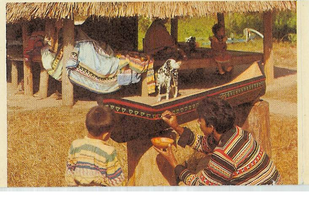


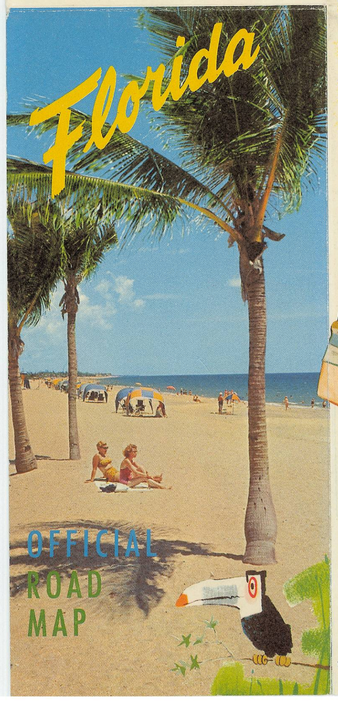




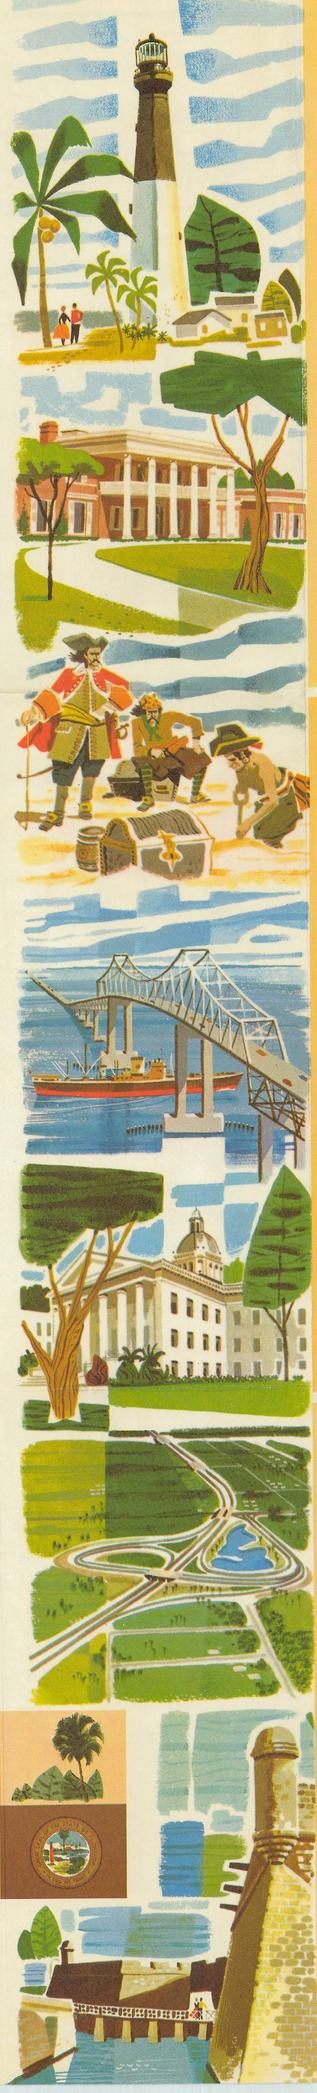








LITHO IN U.S.A. - BY
ROBINSONS, INC., TALLAHASSEE
ROBINSONS COLOR PROCESS



Above center is the State Flag of Florida. It was adopted in 1899. In the center is the State Seal.

Florida's State Tree is the majestic Sabal Palm. It was selected as the official state tree by the 1953 Legislature.

Below the flag is pictured the melodious Mocking Bird, named by the 1927 Legislature as the State Bird.

The present State Seal, adopted by the Constitution of 1868 and readopted by the Constitution of 1885, has a center with a view of the sun's rays over a highland in the distance, a palm tree, a steamboat on water, and an Indian female scattering flowers in the foreground.
