Governor Scott Applauds State Agencies' Work to Clean Up Tallahassee After Hurricane Hermine

TALLAHASSEE, Fla. – Today, Governor Rick Scott applauded the following state agencies for providing equipment, vehicles, and personnel to assist with debris cleanup efforts in Leon County following Hurricane Hermine:

Governor Scott said, "Last week I joined the Department of Transportation to help remove debris from homes and businesses following the hurricane. For three days, many volunteers which included National Guard members and veterans groups as well as state agency heads and state employees came out to help their fellow Tallahassee neighbors. I want to thank all of the agencies that provided equipment and resources to help with these efforts. I was happy to learn that the City of Tallahassee will continue these efforts beginning today."

- Department of Agriculture and Consumer Services (DACS) – DACS provided traffic control assistance as well as three vehicles and 30 personnel.
- Department of Environmental Protection (DEP) – DEP provided five trucks and trailers, an assortment of landscaping equipment and personnel.
- Department of Transportation (DOT) – DOT provided 54 trailers and trucks as well as over 75 personnel.
- Florida Fish and Wildlife Conservation Commission (FWC) - FWC provided five pickup trucks, one dump truck and an assortment of landscaping equipment as well as over 20 personnel.
