Pearl Street between Union and State streets closed this weekend

Jacksonville – Pearl Street between Union Street and State Street is scheduled to close Saturday at 6 a.m. and reopen Sunday by 7 p.m. (April 2-3) to allow for drainage work at the southeast corner of Pearl and State streets.

Northbound Pearl Street traffic is detoured to Union, Julia and State streets. Southbound traffic is detoured to State, Clay and Union streets (see detour map below). Double lane closures on State Street west and east of Pearl Street will be in effect during the same time.

The road closure, weather permitting, is part of the \$13 million Florida Department of Transportation's (FDOT) State Street, Union Street and Mathews Expressway resurfacing and improvement project.
