Dames Point traffic faces lane closures this weekend

Jacksonville – Traffic on the I-295 East Beltway over the Dames Point Bridge will face lane closures Saturday and Sunday from 9:30 a.m. to 3:30 p.m. for the installation of new wind ties, used to stabilize cable-stayed bridges.

The work is being coordinated with the transport of bridge beams for the Sisters Creek Bridge on Heckscher Drive, which is causing delays when the beams are delivered for installation.

The bridge maintenance work is being performed on the weekend to minimize disruption to weekday commuters.

Repair crews will use a 185-foot lift to reach and replace the damaged wind ties.
