Union Street between Pearl and Laura streets closed Thursday, Sunday and Monday nights

Jacksonville – Union Street will be closed between Pearl and Laura streets Thursday, Sunday and Monday nights, from 7 p.m. until 5 a.m. the next morning, weather permitting, for water main work.

Two detour options will be in place: south to Pearl, Beaver and Ocean streets back to Union Street; or north to Pearl, First and Market streets back to Union Street.

Jacksonville Transportation Authority (JTA) buses will be guided into the closed road section and will use the left turn lane to access Rosa Parks Transit Station. Buses will detour north on Laura Street to First Street and join the existing detour route back to Union Street.

The work is part of the Florida Department of Transportation's (FDOT) State Street, Union Street and Mathews Expressway resurfacing and drainage improvement project. The \$13 million project began in December and is scheduled to be complete in spring 2017.
