New Traffic Signal Activated on U.S. 98 at Geronimo Street

The new traffic signal on U.S. 98 at the intersection of Geronimo Street in Walton County will become operational Tuesday, Dec. 15 at approximately 10 a.m. The signal has been in flash mode to acquaint motorists with the location.

The new signal is mounted on strain poles with signal heads in the vertical position. Drivers are urged to use caution when approaching the newly signalized intersection.
