U.S. 331 Lane Closures at Short Avenue, County Road 3280, and LaGrange Road

Chipley – Drivers traveling U.S. 331 will encounter intermittent lane restrictions at the intersections of Short Avenue, County Road 3280, and LaGrange Road in Walton County from 7 p.m. to 6 a.m. Thursday, March 3 and Friday, March 4 as crews install mast arms. Traffic flaggers will be on site to direct traffic.

This realignment is part of a reconstruction project to multilane 4.6 miles of U.S. 331 from the north end of the Choctawhatchee Relief Bridge to south of S.R. 20. The project began in the fall of 2012 and is estimated to be completed spring 2016.

Construction activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Motorists are reminded to pay attention to the speed limit when traveling through the construction area, to watch for construction equipment entering and leaving the roadway, and to use caution when driving through the work zone.

For more information, follow the Florida Department of Transportation District Three on Twitter @myfdot_nwfl or like us on Facebook at www.facebook.com/MyFDOTNWFL. For information on the project, like us on Facebook at www.facebook.com/USHighway331.
