Nighttime Work on U.S. 90 Resurfacing Project

Chipley, FL - Drivers traveling U.S. 90 from Summertime Drive to east of Old River Road (west of State Road 4) in Okaloosa County can expect lane restrictions to take place during nighttime hours. Lane closures will be in effect from 6 p.m. to 5 a.m. from Wednesday, July 6 through Friday, July 8 as crews complete paving operations along the 7.4 mile project.

Improvements include resurfacing the roadway and paved shoulders, resurfacing the park-n-ride east of the intersection with Galiver Cutoff, guardrail upgrades at existing bridges, construction of bicycle keyholes lanes at selected locations and safety improvements.

Drivers should exercise caution and pay attention to flaggers controlling traffic during active work hours. Access to businesses and side streets will be maintained. Weather permitting, the project is estimated to be complete by the end of this month.
