New southbound Turnpike on-ramp from Snapper Creek service plaza to open July 31

FORT LAUDERDALE — Beginning at 10 p.m. Friday, July 31, motorists headed to southbound Florida's Turnpike from the Snapper Creek service plaza will use a new on-ramp that routes traffic via the Southwest 120th Street interchange (Exit 19) in Miami-Dade County. The existing direct access ramp will close permanently. (See the attached graphic.)

The Southwest 120th Street interchange ramps are being combined with the Snapper Creek service plaza ramps as part of the ongoing widening and express lanes project currently under construction.

Information about Turnpike construction is available on www.FloridasTurnpike.com or by calling 1-800-749-PIKE. Drivers may dial 5-1-1 for real-time traffic information, visit www.FL511.com, or check the 5-1-1 or Waze mobile apps before traveling. Traffic and travel information is also available by following @fl511_Turnpike on Twitter.
