### **DISTRICT ONE SOUTHERN COUNTIES ROADWATCH REPORT #50 FOR WEEK OF DECEMBER 11, 2016**

**Fort Myers ---** This weekly report is prepared by Florida Department of Transportation (FDOT) to inform the public about upcoming road work in Southwest Florida. Below are the work schedule and lane closure locations for major state road projects.

*Motorists are reminded to wear safety belts and drive with caution, courtesy, common sense, and patience as they travel through work zones. Remember, speeding fines are doubled in work zones.*

**TO OBTAIN A COPY OF THE WEEKLY ROADWATCH REPORT, LOG ON TO:**  
<http://www.fdot.gov/info/D1/news/newsreleases/default.shtm>

As a reminder, travelers can visit [www.FL511.com](http://www.FL511.com) or dial “511” from their phone to learn about traffic conditions on major roadways across the state.  
If you know before you go, you can plan accordingly and save time and money.

#### **CHARLOTTE COUNTY**

**Southbound I-75 Weigh Station (mile marker 160) in Punta Gorda:** Construction project: Work is underway to rebuild the southbound weigh station on the west side of the roadway. Once work is completed; crews will begin to rebuild the northbound weigh station on the east side of the roadway. Motorists should not expect lane closures on I-75. Estimated completion is summer 2017. The contractor is R.M. Williams Construction, Inc.

**I-75 from south of Harborview Road (mile marker 167) to Sumter Boulevard (mile marker 182):** Construction project: This project widens the road from four to six lanes and adds a 12-foot travel lane and 10-foot shoulder to the inside of existing northbound and southbound I-75. **Motorists should expect lane closures on I-75 during nighttime/overnight hours from 8 p.m. to 5 a.m. through the duration of the project.**

- **Motorists should expect periodic travel lane shifts throughout the duration of construction.**

- **Motorists should expect the inside northbound lane on the bridge over the Peace River to be closed through the duration of the project.**

Variable message signs will be in place to alert drivers that work is underway. Drivers should use caution while traveling in this area. Estimated completion is end of 2017. The contractor is Astaldi Construction Corporation.

**I-75 over Harborview Road:** Maintenance contract project: Motorists should expect intermittent northbound and southbound lane closures during the nighttime/overnight hours from 9 p.m. to 5 a.m. Sunday through Thursday while crews perform maintenance work on the bridge, weather permitting. Flaggers will maintain both directions of traffic. Motorists are advised to use caution and expect delays.

**US 41 from Cross Street to Cochran Boulevard:** Construction project: Crews improve 5.8 miles of US 41. The project includes signal upgrades at various intersections, milling and resurfacing, miscellaneous shoulder widening, bike lanes and improved pedestrian access at multiple intersections. **Motorists should expect intermittent lane closures on US 41 during nighttime/overnight hours from 7 p.m. to 6 a.m. Sunday through Thursday, weather permitting. Intermittent lane closures may occur on side streets.**

- At **US 41/Parmely Street**, crews will add a new through/left-turn lane on Parmely Street to accommodate more vehicles turning left onto US 41/Tamiami Trail from Parmely Street.
- At **US 41/Olean Boulevard**, crews will add a new northbound right-turn lane on Olean Boulevard to accommodate more vehicles turning right onto US 41/Tamiami Trail from Olean Boulevard.
- At **US 41/Harborview Road** crews will add a new westbound through lane on Harborview Road to accommodate more vehicles heading west toward Edgewater Drive.

Motorists should be aware of heavy machinery and large trucks entering and exiting the roadway while crews install construction signage and silt fence. Please use caution and plan extra travel time while driving in this area. Project completion is expected fall 2017. The Contractor is Ajax Paving Industries of Florida, LLC.

**US 41 from Enterprise Drive to Sarasota/Charlotte County Line:** Construction project: Crews are working to expand US 41 to six lanes from Enterprise Drive to the Sarasota/Charlotte County line. This 3.6-mile project also includes making roadway drainage improvements, installing water and sewer lines, adding bike lanes and sidewalk and replacing signals at Enterprise Drive, Toledo Blade Boulevard and S. Cranberry/Cornelius Boulevards. Crews are installing new utilities, building new roadway and drainage. Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours from 8 p.m. to 5 a.m. through the duration of the project.

- **Collingswood Boulevard is closed on the north side and south side of US 41.**
- **Collingswood Boulevard median at US 41 is closed.**
- **Chamberlain Boulevard median at US 41 is closed.**
- **Stratford Drive is closed on the south side of US 41.**
- **Sherbourne Street is closed on the north side of US 41.**
- **Longley Drive is closed on the north and south side of US 41.**
- **The speed limit is reduced to 40 miles per hour.**

Drivers should be aware of construction vehicles and equipment entering and exiting the roadway. The contractor expects to complete work in spring 2017. The contractor is Guymann Construction Inc.

**SR 776/El Jobean Road over the Myakka River:** Construction project: Crews perform maintenance on the SR 776/McCall Road Bridge over the Myakka River. Marine traffic should expect construction barges and activity in the area. **Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours Monday through Friday, weather permitting.**

- **Motorists should expect shoulder closures during daytime hours and should use extreme caution as construction vehicles enter and exit the roadway.**

Boaters should use caution. Pedestrians should use **extreme** caution and stay behind the construction safety fence and out of the work zone. Estimated project completion is end of 2016. The contractor is Inland Construction & Equipment, Inc.

**SR 776/EL Jobean Road from US 41 to Murdock Circle:** Maintenance contract project: Motorists should expect the inside westbound lane closed from 9 a.m. to 4 p.m. Monday through Thursday while crews perform landscaping in the median, weather permitting. Motorists should use caution as crews work near the roadway.

**Peachland Boulevard from Bachmann Boulevard to Atwater Street:** Construction project: Motorists should expect intermittent lane closures as crews install sidewalk and drainage along the north side of Peachland Boulevard. Work occurs during daytime hours. **Lane closures may occur from 7 a.m. to 3 p.m. Monday through Friday.** Motorists and pedestrians should use caution while traveling in this area. Estimated project completion is end of 2016. The contractor is Florida Safety Contractors, Inc.

**Orlando Boulevard from Peachland Boulevard to Veterans Boulevard:** Construction project: Motorists should expect intermittent lane closures as crews install sidewalk and drainage along the west side of Orlando Boulevard. Work occurs during daytime hours. **Lane closures may occur from 7 a.m. to 4 p.m. Monday through Friday.** Motorists and pedestrians should use caution while traveling in this area. Estimated project completion is end of 2016. The contractor is Florida Safety Contractors, Inc.

## **COLLIER COUNTY**

**I-75/Alligator Alley Rest Area (mile marker 63):** Construction project: Work is underway to build a new rest area and water treatment plant on the north side of the roadway. Estimated project completion is spring 2018. The design/build contractor is West Construction, Inc.

**I-75 from Broward County Line (mile marker 50) to east of CR 951/Collier Boulevard (mile marker 101):** Construction project: This safety project adds approximately 78 miles (39 miles in each direction) of guardrail along I-75/Alligator Alley. Crews will begin a moving pavement operation at CR 951 (exit #101) and work easterly to the Broward County line. Crews will then work from the Broward County line westerly to just east of CR 951. Guardrail installation will follow behind the pavement operation. Crews will work 7 a.m. to 5 p.m. weekdays. Variable message signs will be in place to alert drivers that work is underway. Motorists should expect intermittent lane closures from 7 a.m. to 5 p.m., through the duration of the project.

- **Motorists should expect intermittent lane closures along the outside northbound lane from mile marker 77 to mile marker 89.**

Drivers should use caution while traveling in this area. The contractor is the de Moya Group, Inc. Estimated completion is summer 2017.

**I-75 from the toll plaza (mile marker 100) to the Faka Union Canal (mile marker 91):** Construction project: This safety project adds approximately 18 miles (9 miles in each direction) of 10-foot fencing along I-75/Alligator Alley. Crews will work 7 a.m. to 5 p.m. weekdays. Drivers should use caution while traveling in this area. The contractor is Gomez & Son Fence Corporation. Estimated completion is summer 2017.

**US 41 from Stinkey Canal to Rose Canal:** Construction project: Motorists should expect intermittent lane closures as crews perform maintenance work on the bridges. **Motorists should expect intermittent lane closures during daytime hours from 9 a.m. to 4 p.m. Monday through Friday, weather permitting.** Motorists should use caution as construction vehicles enter and exit the roadway. Drivers should use caution while traveling in this area. Estimated completion is early 2017. The contractor is Proshot Concrete, Inc.

**SR 84/Davis Boulevard from Kings Way to Santa Barbara Boulevard:** Maintenance contract project: Motorists should expect intermittent eastbound and westbound lane closures during daytime hours, Monday through Thursday for crews to replace power poles, weather permitting. Drivers should use caution as crews work in the roadway.

**SR 84/Davis Boulevard at Radio Road:** Maintenance contract project: Motorists should expect intermittent westbound lane closures during nighttime/overnight hours from 7 p.m. to 6 a.m. Monday through Thursday for crews to construct a deceleration lane, weather permitting. Drivers should use caution as crews work in the roadway.

**SR 84/Davis Boulevard from Heritage Trail to Santa Barbara Boulevard:** Construction project: This project includes resurfacing the roadway, adding curb and gutter, and installing light poles. Crews will also add a pedestrian crosswalk and upgrade the signal at County Barn Road. **Motorists should expect intermittent lane closures during daytime hours from 9 a.m. to 4 p.m. and during nighttime/overnight hours from 7 p.m. to 6 a.m. through the duration of the project.** Drivers should use caution while driving in this area. Estimated project completion is summer 2017. The contractor is Preferred Materials, Inc.

## **DESOTO COUNTY**

**US 17 from CR 760A to Heard Street and within the City of Arcadia:** Construction project: Crews are expanding US 17 to four lanes. Work is underway for two new travel lanes to the east and west of existing US 17 travel lanes includes utility activities, installation of drainage, and new roadway construction. Northbound and southbound US 17 traffic have switched to the new portion of US 17 from south of CR-760A/McCaskill Street to north of CR 760/Welles Avenue. Traffic remains on the existing lanes of US 17 north of Joshua Creek. Northbound and southbound US 17 travel lanes have shifted to the new eastern roadway from south of Fletcher Street to north of Mockingbird Street and then continues on the new roadway to north of Hibiscus Drive. In Arcadia - southbound US 17 travel lanes shifts to the east from Palmetto Street to Dr. MLK Jr. Street. SW Palm Drive is closed and the detour route is SW Hibiscus Drive to SE Hillsborough Avenue. Intermittent daytime single-lane flagging operation on MLK Jr. Street and lane closures on US 17 at signalized intersections. Motorists should continue to observe the posted speed limits. Work vehicles are entering and exiting the roadway during the week. Please use caution and plan additional travel time. Expected project completion is in the summer of 2017. The contractor is Prince Contracting.

## **GLADES COUNTY**

**SR 78 from US 27 to Chobee Loop:** Maintenance project: Crews will be landscaping during daytime hours, Monday through Thursday, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 78 from the Ortona Cemetery to Citrus Center Canal:** Maintenance project: Crews will be performing shoulder maintenance during daytime hours, Monday through Friday, weather permitting. Motorists should use caution as crews work near the roadway.

**US 27 just south of the Moore Haven Bridge:** Maintenance project: Crews will be repairing guardrail in the median during daytime hours, Monday through Thursday, weather permitting. Motorists should use caution as crews work near the roadway.

## **HENDRY COUNTY**

**US 27 from Woodward Road to Air Glades Boulevard:** Maintenance permit project: Motorists should expect the outside northbound lane closed from 8 a.m. to 5 p.m. while crews construct a turn lane, weather permitting. Motorists should use caution as crews work near the roadway.

**US 27 from Lewis Boulevard to CR 720:** Maintenance contract project: Motorists should expect intermittent southbound lane closures during daytime hours from 9 a.m. to 4 p.m. Monday through Friday, while crews repair guardrail, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 82/Immokalee Road from the Lee/Hendry County line to the Hendry/Collier County line:** Construction project: Crews widen SR 82 to four lanes from the Lee/Hendry County line to the Hendry/Collier County line. This 1.3 mile project improves drainage to manage water running off the roadway and builds new five-foot sidewalk on the north side of the road. **Motorists should expect lane closures through the duration of the project.** Drivers should use caution while traveling in this area. Estimated completion is end of 2016. The contractor is Community Asphalt Corporation.

**SR 80 from Dalton Lane to Indian Hills Drive:** Maintenance permit project: Crews will be relocating utilities near the roadway during daytime hours, Monday through Friday, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 80 from Phillips Road to Huggets Road:** Maintenance permit project: Motorists should expect intermittent eastbound lane closures during daytime hours from 9 a.m. to 4 p.m. and during nighttime/overnight hours from 7 p.m. to 6 a.m. Monday through Friday, while crews pave the roadway, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 80 from Double J. Acres Road to CR 78A:** Maintenance permit project: Motorists should expect intermittent eastbound and westbound lane closures from 8 a.m. to 5 p.m. while crews construct turn lanes, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 80 from the Lee County line to Cowboy Way:** Maintenance contract project: Crews will be landscaping during daytime hours, Monday through Thursday, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 80 from Forrey Drive to Cowgirl Way:** Maintenance contract project: Crews will be landscaping during daytime hours, Monday through Thursday, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 29 from Case Road to Wilson Road:** Maintenance permit project: Motorists should expect intermittent northbound and southbound lane closures during daytime hours from 9 a.m. to 4 p.m. and during nighttime/overnight hours from 7 p.m. to 6 a.m. Monday through Friday, while crews construct a turn lane, weather permitting. Motorists should use caution as crews work near the roadway.

## LEE COUNTY

**US 41 from Dana Drive to Pine Drive:** Maintenance project: Crews will be installing sidewalk on the west side of the roadway during daytime hours Monday through Friday, weather permitting. Motorists should use caution as crews work near the roadway

**US 41 from just south of Pelican Colony Boulevard to San Carlos Boulevard:** Construction project: This project installs light poles on both sides of the roadway. Work occurs during daytime and nighttime hours. **Motorists should expect lane closures during nighttime/overnight hours from 7 p.m. to 6 a.m. Monday through Saturday, weather permitting.** Motorists and pedestrians should use caution traveling in the work zone. Estimated project completion is spring 2018. The contractor is Valiant Power South.

**US 41 Caloosahatchee Bridge:** Construction project: Crews perform maintenance on the US 41 bridge over the Caloosahatchee River. Marine traffic should expect construction barges and activity in the area. **Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours Monday through Friday, weather permitting.**

- **Motorists should expect the northbound outside lane closed during nighttime/overnight hours from 8 p.m. Wednesday, December 14 to 6 a.m. Thursday, December 15, weather permitting.**

Boaters should use caution. Pedestrians should use **extreme** caution and stay behind the construction safety fence and out of the work zone. Estimated project completion is end of 2016. The contractor is Inland Construction & Equipment, Inc.

**US 41 from Cedar Creek Drive to South Bay Drive:** Maintenance project: Crews will be performing shoulder maintenance and installing sod during daytime hours, Monday through Friday, weather permitting. Motorists should use caution as crews work near the roadway.

**US 41 from Sanibel Boulevard to Emerson Square Boulevard:** Maintenance project: Crews will be performing shoulder maintenance and installing sod during daytime hours, Monday through Friday, weather permitting. Motorists should use caution as crews work near the roadway.

**SR 884/Colonial Boulevard from SR 739/Metro Parkway to Veronica Shoemaker Boulevard:** Construction project: This project builds a multi-use path and improves pedestrian access at bus stops on the north side of the roadway. Work occurs during daytime hours. Motorists should expect intermittent westbound lane closures from 9 a.m. to 4 p.m. Monday through Saturday. Motorists and pedestrians should follow detour signs and use caution while driving in this area. Estimated project completion is spring of 2017. The contractor is Rogar Management & Consulting of Florida, LLC.

**SR 739/Fowler Street at Thompson Street:** Maintenance permit project: Motorists should expect the southbound outside left lane closed during nighttime/overnight hours from 7 p.m. Wednesday, December 14 to 5 a.m. Thursday, December 15 while crews perform utility work, weather permitting. Motorists should use caution as crews work in the roadway.

**SR 78/Pine Island Road/Bayshore Road from US 41 to Hart/New Post Road:** Construction project: This project includes resurfacing the roadway, bike lanes and signal upgrades at various intersections. Motorists should expect intermittent lane closures during nighttime/overnight hours from 7 p.m. to 6 a.m. through the duration of the project. Intermittent lane closures may occur on side streets. Drivers should use caution while driving in this area. Estimated project completion is fall 2017. The contractor is AJAX Industries of Florida, Inc.

**SR 78 at Coon Road:** Construction project: Crews will be replacing the signal mast arm at the southeast corner of the intersection. Motorist should expect lane closures during nighttime hours. Motorists should use caution as crews work in the roadway.

**SR 78/Pine Island Road from Santa Barbara Boulevard to Chiquita Boulevard:** Maintenance project: Crews will be striping the roadway during nighttime/overnight hours from 8 p.m. to 5 a.m. Sunday through Thursday, weather permitting. Motorists should use caution as crews work in the roadway.

**State Roadways (SR 31, SR 45, SR 78, SR 80, SR 82, SR 739, SR 865 and SR 867):** Maintenance contract project: Crews are sweeping curb and gutter on state roadways and bridges. Motorists should expect lane closures during the nighttime/overnight hours from 7 p.m. to 5 a.m. weather permitting. Motorists should expect slow moving traffic and possible delays.

**Leeland Heights Boulevard from Georgia Road to Richmond Avenue:** Construction project: This project includes sidewalk installation and drainage improvements to the north side of the roadway. Work occurs during daytime hours. Motorists should expect intermittent lane closures from 9 a.m. to 4 p.m. Monday through Saturday. Local area residents will have access at all times. Intermittent lane closures may occur on side streets.

- Motorists should expect the outside westbound lane closed from Lee Boulevard to Georgia Road.

- **Motorists should expect California Road closed on the north side of Leeland Heights Boulevard.**
- **Motorists should expect Idaho Road closed on the north side of Leeland Heights Boulevard.**

Motorists and pedestrians should follow detour signs and use caution while driving in this area. Estimated project completion is spring of 2017. The contractor is Wright Construction Group, Inc.

**Marvaez Street from Commercial Drive to Winkler Avenue:** Construction project: Motorists should expect intermittent lane closures as crews install sidewalk and drainage along the west side of Marvaez Street. Work occurs during daytime hours. **Motorists should expect the southbound lane closed through the duration of the project. Local area residents will have access at all times.** Motorists and pedestrians should follow detour signs and use caution while driving in this area. Estimated project completion is end of 2016. The contractor is Owen-Ames-Kimball Company, Inc.

**Midway Avenue from Canal Street to Edison Avenue:** Construction project: Motorists should expect intermittent southbound lane closures as crews install sidewalk and drainage along the west side of Midway Avenue. Work occurs during daytime hours. **Local area residents will have access at all times.** Motorists and pedestrians should follow detour signs and use caution while driving in this area. Estimated project completion is end of 2016. The contractor is Owen-Ames-Kimball Company, Inc.

**Please call 239-225-1900, if you no longer need to receive RoadWatch.**
