State Road 84 (Davis Boulevard) *Design Public Meeting* *from County Barn Road to Santa Barbara Boulevard* *Naples, Florida*

The Florida Department of Transportation (FDOT), District One, is holding a public information meeting for the State Road (SR) 84 design project from County Barn Road to Santa Barbara Boulevard, in Collier County. The public meeting “open house” is from 5:30 p.m. to 7 p.m. on Thursday, October 15, 2015 at the New Hope Ministries Gymnasium, 7675 Davis Boulevard, Naples, Florida 34104.

The meeting is an open house with no formal presentation. People attending the meeting may review project displays and aerial photographs, and speak one-on-one with project team members. Displays will show plans to mill and resurface the existing road, construct sidewalks on both sides of the road, accommodate bicycles, install mast arms and crosswalks at County Barn Road, and raise the median for future landscaping. Collier County will add landscaping to the median once the road construction is complete.

We encourage everyone to participate in the SR 84 design public meeting. This meeting gives you the opportunity to express your views about project plans. You can submit written comments at this meeting. You can also email or mail your comments, postmarked by **October 26, 2015**, to Ray Porter, Florida Department of Transportation, PO Box 1249, Bartow, Florida 33831 or by email, to JRay.Porter@dot.state.fl.us and your comments will become a part of the official public meeting file. Comment forms are available at the meeting tonight for your convenience. We've included a project and meeting location map below for your reference.
