Union Street/Kings Road ramp, I-95 Union Street exit closed starting Friday

Jacksonville – The Union Street ramp at Kings Road will close Friday at 9 a.m., and the I-95 southbound Union Street exit (353B) will close Saturday at 6 a.m., for drainage work, weather permitting. Both the ramp and exit will reopen Sunday at approximately 5 p.m.

Eastbound Kings Road/Union Street traffic will detour to Eaverson Street, Beaver Street and Davis Street to Union Street. I-95 southbound Union Street traffic will use the Kings Road exit (353C) and follow the same detour route to Union Street (map below).

The work is part of the Florida Department of Transportation’s (FDOT) State Street, Union Street and Mathews Expressway resurfacing and improvement project. The \$13 million project began in December and is scheduled to be complete in spring 2017.
