Lane Closures on State Roads in Walton County

Chipley, FL – The following is an update on Florida Department of Transportation (FDOT) activities in Walton County:

Traffic on U.S. 90 from County Road 183 (Kidd Road) east to Old Airport Road in Walton County will encounter alternating lane restrictions Monday, June 29. Lane closures will be in effect from 8 a.m. to 4 p.m. as crews perform shoulder work.

State Road (S.R.) 83 at Juniper Creek in Walton County will encounter traffic delays within the work zone Tuesday, June 30 and Wednesday, July 1. There will be temporary daytime lane closures to allow for staging of materials. This work is part of the \$2.6 million project to construct a new bridge and reconstruct the approaches on S.R. 83 over Juniper Creek. Work will be complete fall 2015.

Construction activities are weather dependent and may be delayed or re-scheduled in the event of inclement weather. Motorists are reminded to travel with care through the work zone and to watch for construction equipment and workers entering and exiting the roadway.

Nighttime Lane Closures Planned for I-10 and Scenic Highway

Chipley, FL – Drivers on Interstate 10 (I-10) and U.S. 90 (Scenic Highway) in Escambia County will encounter alternating lane closures near the Scenic Highway overpass Monday, June 29 through Wednesday, July 1. Lane restrictions will be in effect from 8 p.m. to 6:30 a.m. as crews demolish the old Scenic Highway overpass.

In addition, the on-ramp from Scenic Highway to I-10 eastbound will be intermittently closed during this time. Traffic will be detoured to Davis Highway for access to eastbound I-10.

All planned construction activities are weather dependent and may be re-scheduled in the event of inclement weather.

Routine Bridge Inspection on State Road 4 over Blackwater River

Chipley, FL – There will be westbound lane restrictions on State Road 4 over the Blackwater River, 4.1 miles west of County Road 189 North, in Okaloosa County Tuesday, June 30. Lane closures will be in effect from 9 a.m. to 3 p.m. as crews perform a routine inspection.

Routine inspections are one tool the department uses to provide a safe transportation system, an example of the dedication to making travel in Florida safer and more efficient.

All activities are weather dependent and may be delayed or re-scheduled in the event of inclement weather. Motorists are reminded to travel with care through the work zone and to watch for construction equipment and workers entering and exiting the roadway.
