## **Nighttime Lane Closures Planned for U.S. 331 on the Clyde B. Wells Bridge**

---

*Chipley, FL* – Drivers will encounter alternating lane closures on U.S. 331 across the Clyde B. Wells Bridge in Walton County Thursday, Aug. 27 and Friday, Aug. 28 from 10 p.m. to 6 a.m. as crews place concrete for the new bridge. Flagmen will be on site to safely direct traffic through the work zone.

Large concrete pump trucks will be present on the bridge so drivers are encouraged to use extra caution when traveling through the work zone. All planned construction activities are weather dependent and may be re-scheduled in the event of inclement weather.
