**Chipley** – Construction activities begin Monday, Nov. 28 on pedestrian improvements to State Road (S.R.) 63 (U.S. 27) North Monroe Street from Tharpe Street to 7th Avenue in Leon County. The \$411,600 project includes constructing raised medians on S.R. 63 to serve as pedestrian refuge areas, adding a signalized pedestrian crossing between Tharpe Street and 7th Avenue, sidewalk replacement, and installation of new signs and pavement markings. Work is anticipated to be completed spring 2017.

Temporary lane closures, delays and shifts may occur as workers perform construction activities. All construction activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Motorists are reminded to pay attention and use caution when driving through the work zone.
