---

Chipley – Westbound Interstate 10 traffic at mile marker 73 in Walton County will encounter intermittent lane restrictions from 8 p.m. to 6 a.m. Monday, Nov. 28 and Tuesday, November 29 as crews replace a damaged Dynamic Message Sign.

All planned activities are weather dependent and may be rescheduled in the event of inclement weather. Drivers are reminded to use caution, especially at night, when traveling in a work zone and to watch for construction workers and equipment entering and exiting the roadway.
