State Road 285 Resurfacing Project Underway

Chipley— Construction activities on a \$1.9 million improvement project on State Road (S.R.) 285 in Walton County began this week.

Improvements include resurfacing the roadway, drainage improvements, and placement of new signs and pavements marking along six miles of S.R. 285 from the Okaloosa County line to south of Interstate 10. Work is anticipated to be complete spring 2016.

Drivers are reminded to use caution when traveling through the work zone. All planned activities are weather dependent and may be rescheduled in the event of inclement weather.
