U.S. 331 Southbound Closed between the Relief Bridge and Clyde B. Wells Bridge in Walton County

Chipley, FL – The southbound lane of U.S. 331 between the Relief Bridge and the Clyde B. Wells Bridge on the center causeway is closed due to water on the roadway from high tide and winds. Traffic will be reduced to one lane, and traffic flaggers will be on site to safely guide motorists. Drivers are encouraged to use caution while driving in inclement weather.
