

REVISION HISTORY

Chapter	Section	Title	Technical Expert	Revision Date
01. Mineral Aggregates	01.01	Construction Aggregates	John Shoucair	10/23/2013
01. Mineral Aggregates	01.02	Mitigation of Point-of-Use Aggregate Problems	John Shoucair	10/26/2006
02. Soils Materials and Foundations	02.01	Structural Layer Coefficients for Flexible Pavement Base Materials	John Shoucair	3/6/2006
02. Soils Materials and Foundations	02.02	Soils and Foundations	Dave Horhota	3/1/2000
02. Soils Materials and Foundations	02.03	Earthwork Operations	Dave Horhota	2/12/2016
02. Soils Materials and Foundations	02.04	Polymer Slurry	Dave Horhota	
03. Bituminous Materials	03.01	District Materials Activities for Hot Mix Asphalt Construction	Howie Mosley	11/5/2014
03. Bituminous Materials	03.02	Flexible Pavement Coring and Evaluation	Howie Mosley	8/17/2006
03. Bituminous Materials	03.03	Superpave Mix Design Procedure	Howie Mosley	
03. Bituminous Materials	03.04	Asphalt Emulsion	David Webb	5/6/2016
03. Bituminous Materials	03.05	Asphalt Binder	David Webb	5/6/2016
05. Quality Assurance	05.01	Acceptance Program	Cristina Croft	10/3/2006
05. Quality Assurance	05.02	Materials Program Responsibilities for Local Agency Projects	Allen Hughes	7/20/2017
05. Quality Assurance	05.03	Disposition of Defective Materials	Allen Hughes	
05. Quality Assurance	05.04	Final Project Material Certification	Allen Hughes	12/23/2015
05. Quality Assurance	05.05	Independent Assurance Program	Cristina Croft	10/6/2014
05. Quality Assurance	05.06	Quality Control Program	Allen Hughes	10/16/2014
05. Quality Assurance	05.07	Laboratory Qualification Program	Butch Hines	8/17/2015
05. Quality Assurance	05.08	Materials Acceptance and Certification System (MAC)	Susan Musselman	10/10/2016
05. Quality Assurance	05.09	Inspection-In-Depth	Butch Hines	5/6/2005
05. Quality Assurance	05.10	Product Evaluation of Manufactured Products	Paul Vinik	8/24/2016

REVISION HISTORY

Chapter	Section	Title	Technical Expert	Revision Date
05. Quality Assurance	05.11	Forensic Investigations	Cristina Croft	4/23/2007
05. Quality Assurance	05.12	Quality Assurance Activities	Cristina Croft	
06. Manufactured Drainage Products	06.01	V1: Quality Assurance Program for Flexible Pipes	Chase Knight	9/22/2014
06. Manufactured Drainage Products	06.01	V2: Flexible Pipe (Metal and Plastic)	Chase Knight	10/6/2014
06. Manufactured Drainage Products	06.02	V1: Quality Assurance Program of Precast Concrete Pipe	Mike Bergin	7/7/2015
06. Manufactured Drainage Products	06.02	V2: Precast Concrete Pipe	Mike Bergin	3/26/2015
06. Manufactured Drainage Products	06.03	V1: Quality Assurance Program of Precast Concrete Box Culverts and Drainage Structures	Mike Bergin	8/31/2015
06. Manufactured Drainage Products	06.03	V2: Precast Concrete Drainage Structures and Box Culverts	Mike Bergin	10/3/2015
07. Timber Products	07.01	Inspection of Timber Products	Steve Duke	6/22/2001
08. Precast/Prestressed Concrete Products	08.01	Quality Assurance Inspection of Precast/ Prestressed Concrete Products	Jose Armenteros	10/6/2014
08. Precast/Prestressed Concrete Products	08.02	V1: Manufactured Incidental Precast/Prestressed Concrete Products	Jose Armenteros	8/31/2015
08. Precast/Prestressed Concrete Products	08.02	V2: Manufactured Incidental Precast/Prestressed Concrete Products	Jose Armenteros	3/27/2015
08. Precast/Prestressed Concrete Products	08.03	Prestressed Concrete Producers' Quality Control Related to Major Product Defects	Jose Armenteros	6/1/2012
08. Precast/Prestressed Concrete Products	08.04	V1: Self-Consolidating Concrete for Precast/Prestressed Concrete Products	Jose Armenteros	5/25/2017
08. Precast/Prestressed Concrete Products	08.04	V2: Self-Consolidating Concrete for Precast/Prestressed Concrete Products	Jose Armenteros	5/16/2017
08. Precast/Prestressed Concrete Products	08.05	Precast Prestressed Concrete Plant Certification Agency Program Acceptance Guidelines	Jose Armenteros	1/15/2009

REVISION HISTORY

Chapter	Section	Title	Technical Expert	Revision Date
09. Concrete Production	09.02	V1: Concrete Production	Mike Bergin	9/29/2017
09. Concrete Production	09.02	V2: Structural Concrete Production Facilities Guide	Mike Bergin	11/1/2016
10. Florida Test Methods	10.01	Florida Sampling and Testing Methods	Cristina Croft	5/25/2017
11. Steel and Miscellaneous Metal Products	11.01	Fabrication Inspection and Testing of Structural Metal Products	Steve Duke	10/27/2014
11. Steel and Miscellaneous Metal Products	11.02	Welding Procedure Specification Review and Approval Process	Steve Duke	3/22/2012
11. Steel and Miscellaneous Metal Products	11.03	Advanced Ultrasonic Testing	Steve Duke	4/22/2014
11. Steel and Miscellaneous Metal Products	11.04	Computed Radiography Procedures (Photostimulable Luminescence)	Steve Duke	1/20/2012
11. Steel and Miscellaneous Metal Products	11.05	Pre-Approved Repair Procedures for Structural Steel	Steve Duke	1/20/2012
11. Steel and Miscellaneous Metal Products	11.06	Pre-Approved Shop Applied Coatings	Steve Duke	
12. Fiber Reinforced Polymer Composites	12.01	Fiber reinforced Polymer Composites	Chase Knight	10/27/2014
