

FLORIDA DEPARTMENT OF TRANSPORTATION

INSTRUCTIONS FOR PREPARING LL & PI PROFICIENCY SAMPLES

(AASHTO R-58, T-89, T-90)

(Instructions Revision Date: November 30, 2016)

1. Prepare samples in accordance with AASHTO R-58.
2. Test samples in accordance with AASHTO T89 and T-90.
3. DO NOT use the Alternate Procedure Section 7.1 of AASHTO T-89.
4. Enter the test results in MAC. Follow the MAC data entry for IA program proficiency samples instructions below.

The test report forms are available through the web address below in case you were not provided with one.

<http://www.fdot.gov/materials/quality/programs/independentassurance/profsampleprogram/proficiencyreports.shtm>

The deadline date to enter your test results in MAC is posted on the SMO website below. It is under the “Test Reported By” column of the spreadsheet.
