Dear Bud,

The Florida Department of Transportation is pleased to submit applications for establishing US Bicycle Route 1 (USBR1) and US Bicycle Route 90 (USBR90) in Florida. The applications are being submitted electronically to Marty Vitale.

We will be maintaining a Web page for the Florida USBR information at <http://www.dot.state.fl.us/planning/policy/usbr/> where additional information including mapping shape files will be posted. We also anticipate an inaugural ride of USBR 90 this Fall and USBR1 next Spring and will let you know about these events.

We look forward to the favorable consideration of these applications by the Special Committee on US Route Numbering. If you or your staff have any questions, please contact David Lee at (850) 414-4802 or david.lee@dot.state.fl.us. Thank you for considering these applications.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ananth Prasad", is written over a large, stylized blue flourish that extends to the right.

Ananth Prasad, P.E.
Secretary
