SUBJECT: Bids Recommended for Rejection by the District

ISSUE BACKGROUND:

The low bid contractor would like to have advance notice of any contracts being considered for rejection by the Department prior to the official action.

REQUIREMENTS:

If a contract is being considered for rejection by the District, then the District Estimates Office shall notify the low bid contractor and provide them with a brief explanation for the rejection. Notification to the contractor should be a phone call to the same person contacted for desk review information. This notification shall take place at least two working days prior to any action taken by the Contract Awards Committee. The District Estimates Office shall document this notification to the contractor in their desk review letter. This requirement will apply to all class 1 & class 7 construction contracts.

IMPLEMENTATION:

This requirement shall begin immediately.

If you have any questions concerning the above, please contact Greg Davis at 850-414-4170.
