

## Examples of Arrows:

The following “Dual Use Turn Lane Directional Arrow” or “two-way left turn arrows (TWLTL)” are considered 2 arrows, as they are at separate locations.

The following “Turn and Through Lane-use arrow” is 1 arrow, as it is placed at one location. (Do not count the number of directions or points as separate arrows.)

Note: The above examples are not to scale. Refer to Index 17346 for dimensions and placement.
