D4 Contruction has the following comments: Revise the proposed text to "Start the 48 hour test on a Monday Tuesday or Wednesday that is not: a holiday , a day that preceeds a holiday, or a designated special event day in the contract.:

Response:

DRAFT RESPONSE BY SCO 08/04/2011: By ensuring that the 48 hour test does not include a weekend, holiday or special event the contractor will be prevented from starting the 48 hour test on a holiday, day preceding a holiday or special event. No change made.
