

EXPECTED IMPLEMENTATION JANUARY 2014

002 PROPOSAL REQUIREMENTS AND CONDITIONS. (REV 5-29-13) (FA 6-26-13) (1-14)

SUBARTICLE 2-2.2 (Page 11) is deleted and the following substituted:

2-2.2 Department Modifications to Contract Documents: Modifications to any Contract Documents will be posted on the Department's website at the following URL address: http://www.dot.state.fl.us/cc-admin/Lettings/Letting_Project_Info.shtm.

The bidder shall take responsibility for checking and downloading the revised data from the Department's website upon notification from the Department. The bidder must provide an e-mail address to the Department for receipt of addenda notification. Contractors must follow the amendment access instructions provided on the website. If the Department's website cannot be accessed, contact the Department's Contracts Administration Office Web Coordinator at (850) 414-4000.

SUBARTICLE 2-2.4 (Pages 11 – 12) is deleted and the following substituted:

2-2.4 Hard Copy Bid Submittals: Unless otherwise indicated in the Advertisement, the Contractor may use the Expedite Proposal file to prepare a bid for hard copy submittal.

Print and submit bid item sheets generated from the Expedite Proposal file on letter size paper. Ensure that all computer generated sheets are legible. Do not submit computer generated sheets using a font size smaller than 9 point. The Department prefers 12 point font size and recommends a minimum of 20 pound paper.

The Department will accept, as the official bid, this set of proposal forms generated from the Expedite Proposal file along with a complete proposal package, delivered to the Department in hard copy in accordance with the instructions listed below and the requirements of 2-5 and 2-8.

Return the Expedite Proposal file used to generate the official bid with the proposal on a diskette labeled with the Contractor's Name, Vendor Number, Letting Date, Revision Date (if applicable) and the Proposal ID. Failure to follow proper diskette-handling and shipping procedures could result in the Department being unable to process the diskette and cause the bid to be declared irregular.

In case of a discrepancy between the unit or lump sum prices submitted on the program-printed proposal form and those contained on the diskette returned to the Department, the Department will use the unit or lump sum prices submitted on the program-printed, proposal form.
