1. Throughout the specification, the date on the AASHTO references has been changed from 09 to 12. Usually the date is not included and the most recent method is required. Is it necessary to have the date?

Response:

2. For Table 334-4, it state “the mixture gradation meets the basic gradation requirements defined in 334-3.2.2.” This reference does not seem to apply. Is this correct?

Response:

3. For Tabled 334-5 and 334-6, there are no references on how to calculate the values. These references should be added.

Response:

4. For Table 334-7, it states “determined in accordance with the instructions contained within the Department’s Asphalt Plant Worksheet.” Should there be a URL link to this document?
