1. Recommend "...owned temporary bridging. These two Contractor representatives shall be required to attend a..." in order to correct grammar and sentence construction, and to strengthen the training requirement language.

Response: The language as written is correct to maintain active-imperative mood.  
No change needed.

2. Recommend requiring proof of training completion rather than "names of representatives who will attend"

Response: The language as written is correct. The names of the employees shall be provided with the initial request. Training is on a project by project basis.  
No change needed.

1.) Hyphenate "Department-owned" (3rd paragraph).

Response: Change made.

2.) In 4th paragraph, "ten calendar days" is used. In 5th paragraph, "10 calendar days" is used. Be consistent with whether 'ten' or '10' is used throughout.

Response: Change made.

3.) Make "Departments" possessive (9th paragraph) (e.g., "Department's").

Response: Change made.

4.) Change "200 cubic foot per minute capacity" to "200 cubic feet-per-minute capacity" (12th paragraph).

Response: Change made.
