Comments: (4-11-16)

9-2.1.2 says "Ensure the certification includes the Contract Number, Financial Project Identification (FPID) Number, Certification Date and Number, the period the certification represents and the tons produced for each asphalt pay item." Consider that not all work within FDOT right of way is related to a work program project. The language in this section or a newly created section will need to reference a "Permit Number, Work Order Number, and so on".

Response: Turnout construction is included in 9-2.1.2 as receiving a bituminous adjustment for asphalt base. The highlighted text in 286-5 was added for consistency with the other asphalt specs. The intent of the language has not been changed. This language is not applicable for Maintenance jobs.

286-5 Method of Measurement.

→ The quantity to be paid for will be the plan quantity area, in square yards, except, when turnout construction is specified to be paid for by weight of mixture, the weight will be measured as specified in 320-3.

→ **Prepare and submit a Certification of Quantities to the Engineer in accordance with 9-2.1.2.**

MEASUREMENT AND PAYMENT.

(REV ~~2-9-16~~ **3-23-16**)

SUBARTICLE 9-2-1.2 is deleted and the following substituted:

→ **9-2.1.2 Bituminous Material:** Prepare a Contractor's Certification of Quantities, using the Department's current approved form for Superpave Asphalt Base, Turnout Construction (Asphalt), Asphalt-Treated Permeable Base, Superpave Asphaltic Concrete, Miscellaneous Asphalt Pavement, ~~Asphalt Concrete Friction Course~~, and Asphalt Rubber Membrane Interlayer pay items. Submit this certification to the Engineer no later than Twelve O'clock noon Monday after the estimate cut-off or as directed by the Engineer, based on the quantity of asphalt produced and accepted on the roadway per Contract. Ensure the certification includes the Contract Number, Financial Project Identification (FPID) Number, Certification Date and Number, the period the certification represents and the tons produced for each asphalt pay item.

No change made.
