Re: Office of Design, Specifications
Section **003**
Proposed Specification: **0030100DC**.

Dear Ms. Gourdine:

We are submitting, for your approval, two copies of the above referenced Special Provision. This Special Provision is used on District Let contracts less than \$250,000 and Maintenance contracts.

The changes are proposed by Juanita Moore of the State Contracts Administration Office to correct current language that does not reflect current practice. The language now shows that security will be deposited and refunded when appropriate.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to SP965TT or trey.tillander@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4140.

Sincerely,

Signature on File
