COMMENTS FROM INTERNAL/INDUSTRY REVIEW

Robertson, Robert

Comments: (9-21-12) Section 450-10 is about finishing and is not about forming. The requirement for steel forms belongs in 450-6

Response: Did not realize it but 450-6.1 already says to use metal forms so I just deleted that text in 450-10.5.2 and 4. Change Made. (9-26-12)
