Proposed Specification: **5201200 Concrete Gutter, Curb Elements, And Traffic Separator.**

Dear Mr. Thompson:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

These changes were proposed by Amy Tootle of the State Construction Office to clarify the payment for asphalt curb pads and to consolidate the language for basis of payment.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to SP965DS or daniel.scheer@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4130.
