You are making the capitol letter A to a small letter a (Asphalt), You also need to make the capitol letter C in Concrete small?

1. 234-1 suggestion if we are revising asphalt to be lowercase, do the same for concrete afterwards.

Response:

2. For consistency in the last paragraph add the word concrete before base to be consistent with the first sentence under 234-1. This sentence would be revised to: "Obtain Superpave asphalt concrete base..."
